

Loss Control Services
SIG Safety Training
October 2021

October 12, 2021
VIA ZOOM
9:00am – 11:00am

TRAINING TOPIC: [Accident Investigations—Root Cause Analysis](#)

Following this training session you will know how to:

- Use each accident event as a window of opportunity to prevent other accidents
- Determine which incidents should be thoroughly investigated and analyzed
- Effectively conduct a root cause analysis so appropriate corrective actions can be identified and implemented
- Effectively complete documentation of each event and analysis to meet legal and other requirements
- Fulfill your obligations as a Supervisor involved in proactive safety and health and protection of company assets

Presenter:

Michelle Martin, Senior Loss Control Consultant, Cross Insurance TPA
