CPR/First Aid/Bloodborne Pathogens certification: 7:30 am—2:30 pm, \$35 person—In Person

If your company has 10 or more people who need CPR and you would like to have a private CPR/First Aid class at your facility, please let us know and we will schedule the class with you. If an employee attends this class, they cannot attend Fleet safety training because it takes place at the same time. Limit 20 per class. Does not include price of optional book.

Maine Driving Dynamics Course—3 point credit on driving record - \$15 person—ONLINE

The Maine Driving Dynamics course is a driver improvement course that is designed to improve a student's defensive driving awareness. This five-hour course includes discussion of collision avoidance techniques, safety issues, driver habits and attitudes, and the basic elements that constantly challenge drivers on Maine's highways. Our goal is to save lives, prevent injuries, and reduce vehicle-related crashes. A student who completes the course will receive a three-point credit on their driving record. The cost of this class includes a book that will be mailed to the participant.
