*Can we exceed the \$87,498 we raised in 2021?*  
Meet the amazing people that our fundraising is impacting and feel the difference that we are making!

In 2021, the PLC of Maine raised over \$205,000 to support local Maine children!

**Dinner Guests** — Join us at 6:00 pm for a buffet dinner and the honor of meeting a couple of the children helped by the Children's Miracle Network (CMN)! The new Master Logger certificate ceremony will follow and the PLC's annual awards presentation will close out the night.

## Creating Real Miracles by Raising Funds for Local Hospitals

Since 1983, Children's Miracle Network (CMN) Hospitals have raised more than \$5 billion for 170 children's hospitals across the United States and Canada. The PLC of Maine and Eastern Maine Healthcare Systems (EMHS) Foundation have raised over **\$1.5 million** since 1996 for children in Maine. These donations have gone to support research and training, purchase equipment, and pay for uncompensated care, all in support of the mission to save and improve the lives of as many children as possible. Some are battling cancer, some are suffering from a traumatic injury, and others require constant care because they were born too early, or with a genetic disease.
